**INVESTMENT INFORMATION AND ADVISORY SERVICES**

Manuals and services which include general market and/or public company information. Some provide evaluations or ratings.

**Stocks**

Finding information on publicly-owned companies can be relatively simple because these companies are required by law to file changes in financial status and annual reports with the U.S. Securities and Exchange Commission, and the information becomes public knowledge.
Contains comprehensive objective research reports on 800 often undervalued over-the-counter companies.
(REF HG 4916 .U54)

Tells you what the company does, how its done in the past, how its doing now, how it will do in the future and for what type of investor is the stock suitable.  (REF HG4501 .M59)

Provides corporate news and financial information on American, Canadian and other foreign companies listed on the U.S. stock exchanges.
Moodys Industrial Manual  (REF HG4961 .M67)
Moodys OTC Industrial Manual  (REF HG4961 .M7237)
Moodys OTC Unlisted Manual  (REF HG4961 .M7238)
Moodys Bank and Finance Manual  (REF HG4961 .M65)
Moodys Public Utility Manual  (REF HG4961 .M7245)
Moodys Transportation Manual  (REF HG4971 .M74)
Moodys International Manual  (REF HG4961 .M68)

Each volume is updated by loose-leaf services. Although we have the most recent edition of each of these manuals, we also have microfiche editions which date back to the early 20th century or the first volume of each series title.

A comprehensive index to over 20,000 corporations currently listed in Moodys manuals. A copy of this index will be found in the Reference stacks and is also available at the Reference desk. Updated quarterly.
(Ready REF HG 4961 .M66)

The Outlook. New York: Standard & Poors Corp.
Issued weekly. Considers stock trading during the past week and its outlook for the future. Discusses investment opportunities in industries, and examines certain stocks.  (Ready REF HG 4501 .O88)

Similar to Moodys Manuals in statistical coverage but gives only a cursory view of company history. Coverage changes annually or more frequently.  (REF HG 4501 .S76635)

Covers companies not actively traded on OTC or regional exchanges. Updated 3 times a year.  (REF HG 4501 .S69)

Monthly summary of investment information on over 5,300 common and preferred stocks.  (REF HG 4915 .S67)

A quick look at company sales, ten years worth of financial data, outlook for future and any current news such as takeover bids. Loose-leaf updated quarterly or more often.
American Stock Exchange  (Ready REF HG4905 .S44 V1-4)
New York Stock Exchange  (Ready REF HG4905 .S443 V1-4)
